

Gollapudi Manideepak

Base Location: Bangalore

Email ID: MANI-DEEPAK.GOLLAPUDI@CAPGEMINI.COM

Mobile No: +91 7396077601

Grade: A4

Strengths

Full Stack Developer

- Hands on experience in creating **microservices** with **Springboot, Spring Security, Spring Cloud API Gateway**, Eureka server, API gateway.
- Proficient in creating **Single page Web** Application in **React** with Authentication with Angular reactive forms, angular routing.
- **Java Microservice** Development knowledge using **Spring boot** on a beginner-to-intermediate level.
- Experience in swagger and in **unit testing using Junit, Mockito**.
- **REST Controllers**, implementation of **CRUD** operations and exception handling.

Achievement

Flight Management System

- Completed end to end case study of Flight Management System and created four microservices.
- Along with JWT authentication, Swagger and payment tab, responsive UI with Angular used for user interface.
- Microservices were connected with API gateway.
- Best practices like naming components, adding comments etc were followed throughout the project.
